

Moms & Pops Youth Bowling League

Bowl with your kids!

Bowl with your grandkids!

Bowl with your great-grandkids!

Like so many parents out there, you're undoubtedly looking for a competitive activity that both you and your child can participate in. Since we simply don't offer a parent/child Formula 1 car racing league, we thought we'd offer up a bowling league. Frankly, that really makes the most sense since we are a bowling alley, after all.

We've got three levels of bowling:

Bumpers: 4 to 8 years old

Juniors: 9 to 12 years old

Teenagers: 13 to 18 years old

This is a great way to either spend some quality time with your child, or to punish them for something by making them spend time with you.

Whatever your motivation, we don't really care.

THE IMPORTANT INFORMATION:

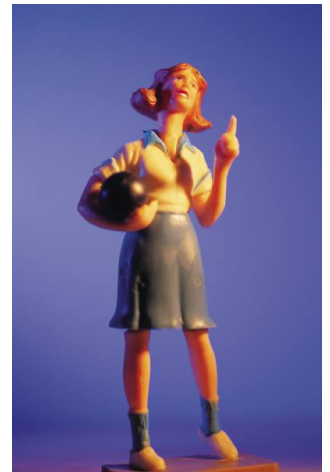

League Begins: September 11, 2010 at 10:00 am

Cost: \$8.00
